

Aliens stands out among the crowd

We showcased our Projects in major international property fairs like the Indian Property Show in Dubai June '08 and the ATA Times Property Show in New Jersey, USA July 2008. Our Projects evoked significant interest among the residents there, owing to the futuristic concepts and designs; and the unparalleled features that our Projects offer.

Our MD, Mr. Hari Challa received the 'Ugadi Puraskar' for Excellence among Young Entrepreneurs in India; at the New Delhi Telugu Academy Ugadi festival held at the AP Bhavan and FICCI auditorium in March '08.

The features and concepts of our Projects make them the cynosure of all eyes, wherever they are showcased. We are committed to delighting our customers through our projects and we are overwhelmed by the response we have received. We wish to thank our dear customers for their support and appreciation.

Warm Regards, Aliens Customer Care
